GENERAL SERVICES ADMINISTRATION

Authorized Federal Supply Schedule Price List

On-line access to contract ordering information, terms and conditions, up-to-date pricing, and the option to create an electronic delivery order are available through GSA Advantage!®, a menu-driven database system. The INTERNET address GSA Advantage!® is: GSAAdvantage.gov.

Multiple Award Schedule

FSC Group: MAS   Contract number: 47QTCA20D00B0

CONTRACTOR:	APEX INFINITE SOLUTIONS LLC
CONTRACTOR ADDRESS:	8801 N Meridian St Ste 209 Indianapolis IN 46260
TELEPHONE	317-974-0382
WEBSITE:	https://aisllp.com/
BUSINESS SIZE:	8(a), SDB, SB
CONTACT:	Mr. Lamont Hatcher
EMAIL:	govt@aisllp.com
CONTRACT PERIOD:	June 8, 2020 – June 7, 2025
PRICELIST CURRENT AS OF:	June 8, 2020

CUSTOMER INFORMATION

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

SINs	SIN Title
54151S	Information Technology Professional Services
OLM	Order-Level Materials

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply:

- Help Desk Tech – Junior: $52.64

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility and education for those types of employees or subcontractors who will perform services shall be provided:

LABOR CATEGORY DESCRIPTIONS

Labor Category:	Analyst - Junior
Minimum Experience:	1 Year of related Technical Experience
Functional Responsibility:	Works with multiple IT departments/sources to research, collect, identify and report software or system requirements using interviews, document analysis, requirements workshops, surveys, site visits, business process descriptions, use cases, scenarios, business analysis, task and workflow analysis. Critically evaluates information gathered, reconcile conflicts; decomposes high-level information into detail functional and development or system requirements. Assist IT project managers with project plan, version scopes and timelines Work with development or systems team to implement requirements related to IT projects. Can solve simple problems, and most often times will require direct supervision provided by more experienced personnel.
Minimum Education:	Bachelor's Degree in Computer Science, Information Systems, Business or equivalent field

Labor Category:	Analyst - Mid
Minimum Experience:	5 Years of related Technical Experience
Functional Responsibility:	Works with multiple IT departments/sources to research, collect, identify and report software or system requirements using interviews, document analysis, requirements workshops, surveys, site visits, business process descriptions, use cases, scenarios, business analysis, task and workflow analysis. Critically evaluates information gathered, reconcile conflicts; decomposes high-level information into detail functional and development or system requirements. Assist IT project managers with project plan, version scopes and timelines Work with development or systems team to implement requirements related to IT projects. Can complete tasks of intermediate complexity alone, and may only require supervision provided by more experienced personnel for more complex problems.
Minimum Education:	Bachelor's Degree in Computer Science, Information Systems, Business or equivalent field

Labor Category:	Analyst - Senior
Minimum Experience:	10 Years of related Technical Experience
Functional Responsibility:	Works with multiple IT departments/sources to research, collect, identify and report software or system requirements using interviews, document analysis, requirements workshops, surveys, site visits, business process descriptions, use cases, scenarios, business analysis, task and workflow analysis. Critically evaluates information gathered, reconcile conflicts; decomposes high-level information into detail functional and development or system requirements. Assist IT project managers with project plan, version scopes and timelines Work with development or systems team to implement requirements related to IT projects. Can solve all problems with no supervision required. May supervise junior personnel.
Minimum Education:	Bachelor's Degree in Computer Science, Information Systems, Business or equivalent field

Labor Category:	Cloud Specialist - Junior
Minimum Experience:	1 Year of related Technical Experience
Functional Responsibility:	Cloud Specialist must have the skills to continue hands-on development activities. The Cloud Specialist will be implementing prototypes using new technologies and innovative techniques. This individual will research, architect, develop, and/or modify enterprise-wide systems and/or applications software including DevOps, security, and data analytic solutions. The Cloud Specialist will be involved in planning of system and development deployment as well as meeting software compliance standards with a particular focus involving integrations and data analytic solutions. This individual must be well versed in DevOps using industry standards and open source resources. Can solve simple problems, and most often times will require direct supervision provided by more experienced personnel.
Minimum Education:	Bachelor's Degree in Computer Science, Information Systems, Business or equivalent field

SUBSTITUTION OF EDUCATION/EXPERIENCE

Education and experience may be substituted for each other. Each year of relevant experience may be substituted for 1 year of education, and vice versa. In addition, each year of vocational technical training completed may be substituted for experience or education on a one-for-one basis. Also, certifications and professional licenses may be substituted for education or experience based on approval from the ordering activity.

Degree	Relevant Experience Equivalence*	Other Equivalence
Associate's	2 years' experience	Vocational or technical training in work-related field
Bachelor's	4 years' experience	Professional certification
Master's	6 years' experience	Professional license
Doctorate	8 years' experience	

*Successful completion of each year of higher education that has not yet resulted in a degree may be counted one for one for a year of experience.

2. Maximum order: $500,000

3. Minimum order: $100

4. Geographic coverage (delivery area). Worldwide

5. Point(s) of production (city, county, and State or foreign country): Same as company address

6. Discount from list prices or statement of net price. Government Net Prices (discounts already deducted.)

7. Quantity discounts. Additional 1% discount off orders that total $500K or greater

8. Prompt payment terms. Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions. 1% - 10 days, Net 30 days : Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions

9a. Notification that Government purchase cards are accepted at or below micro-purchase threshold. Yes

9b. Notification whether Government purchase cards are accepted or not accepted above the micro-purchase threshold: Will Accept.

10. Foreign items (list items by country of origin). Not Applicable

11a. Time of delivery. (Contractor insert number of days.) To Be Determined at

15

the Task Order level

11b. Expedited Delivery. Items available for expedited delivery are noted in this price list. To Be Determined at the Task Order level

11c. Overnight and 2-day delivery. To Be Determined at the Task Order level

11d. Urgent Requirements. To Be Determined at the Task Order Level

12. F.O.B. point(s). Destination

13a. Ordering address(es). Same as company address

13b. Ordering procedures: For supplies and services, the ordering procedures, information on Blanket Purchase Agreements (BPA's) are found in Federal Acquisition Regulation (FAR) 8.405-3.

14. Payment address(es): Same as company address

15. Warranty provision. Contractor's standard commercial warranty.

16. Export packing charges, if applicable. Not Applicable

17. Terms and conditions of Government purchase card acceptance (any thresholds above the micro-purchase level): Will accept above $25k.

18. Terms and conditions of rental, maintenance, and repair (if applicable). Not Applicable

19. Terms and conditions of installation (if applicable). Not Applicable

20. Terms and conditions of repair parts indicating date of parts price lists and any discounts from list prices (if applicable). Not Applicable

20a. Terms and conditions for any other services (if applicable). Not Applicable

21. List of service and distribution points (if applicable). Not Applicable

22. List of participating dealers (if applicable). Not Applicable

23. Preventive maintenance (if applicable). Not Applicable

24a. Special attributes such as environmental attributes (e.g., recycled content, energy efficiency, and/or reduced pollutants). Not Applicable

24b. If applicable, indicate that Section 508 compliance information is available on Electronic and Information Technology (EIT) supplies and services and show where full details can be found (e.g. contractor's website or other location.) The EIT standards can be found at: www.Section508.gov/. Not Applicable

25. Data Universal Number System (DUNS) number: 068677005

26. Notification regarding registration in System for Award Management (SAM) database. Contractor registered and active in SAM

Service Contract Labor Standards: The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CRF 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.
